

Due to the new corona measures, we will unfortunately have to close the canteen for at least the next 3 weeks from 29 September 2020. Because of this it will no longer be possible to order something to drink at the bar before, during or after the training and competition. Players will also have to go home immediately after the training and competition. The canteen will remain open, for example during training changes to maintain a good flow of people. In order to stimulate this throughput and to avoid crowds, we ask you to be present at the club no more than 5 minutes in advance.

Also, no spectators are allowed during the competition. Players are allowed to stay in the hall until all matches of your team are finished, but after that all players of both the home and away team have to go home.

For the youth, the following applies: during away matches, one parent is allowed to accompany each team. During home games and training sessions, no parents are allowed to be present. Both after the training and after the competition, parents are allowed to pick up their children in the canteen, but the parents are not allowed to come in more than 5 minutes before the end.

In order to avoid further crowds in the canteen area, corridor and stairs during the changes between the playing moments, we ask to be present at the club no more than 5 minutes in advance.

We understand that because of this a large part of the fun of table tennis disappears, but if we all stick to the rules now we can hopefully reopen the canteen in 3 weeks time.

Open on all Mondays for members and non-members: (advance booking for seniors required)

18:45 - 20:15 Youth training

20:30 - 21:30 Free playing for seniors
